**Important Customer Information – Notification of WAT-01U2/02U2D End of Life**

First and foremost, thank you very much for your continued business. We are committed to continue to deliver quality products to you.

With this letter we would like to inform all Watec customers that the following model has nearly come to end of life cycle.

- WAT-01U2 (1/2.8" Compact Full HD USB2.0 Camera)
- WAT-02U2D (1/2.8" USB2.0 Full HD Water Resistant Camera)

Please consider this notification as the final opportunity to place a "last time buy" for this model and note there is minimal inventory remaining of those cameras. Being this case, product will be shipped on first serve basis.

We have been developing the 1/3.2" USB cameras which will replace WAT-01U2 and WAR-02U2D. Our sales team will support you optimally for switching to the new model.

If you have any further questions, please contact us anytime.

Sincerely,

Watec Co., Ltd.
